

6-Speed Bicycle Chain 1/2" x 3/32"

This is a 6-speed bicycle chain. It has dimensions of 1/2" x 3/32".

Product Overview

High-Performance 6-Speed Bicycle Chain

This 6-speed bicycle chain is engineered for smooth shifting and reliable power transfer. Designed with standard 1/2" x 3/32" dimensions, it is compatible with a wide range of 6-speed drivetrain systems. Its 116-link length ensures sufficient coverage for most standard bicycle frames, providing a durable and efficient solution for cycling maintenance and upgrades.
