

# 60-Inch Rustic Electric Fireplace with Oak Mantel

This electric fireplace features a rustic oak mantel, creating a cozy and inviting atmosphere. The 60-inch size makes it a statement piece for any living room.

## ADDITIONAL IMAGES

## Overview

### Rustic Elegance Meets Modern Functionality

This 60-inch electric fireplace combines a solid wood and MDF mantel with intricate resin carvings to create a stunning focal point for any professional or residential interior. Designed for both heating and decoration, it offers the flexibility to be used with an electric furnace core or decorative wood. Each unit is finished with 6 to 8 layers of environmentally friendly paint, ensuring a long-lasting, high-quality aesthetic that meets international safety standards.
