

60cm Gas and Electric Combination Hob

This 60cm hob features both gas and electric cooking zones. It is constructed from stainless steel for durability and easy cleaning.

Overview

Versatile Hybrid Cooking Solution

This 60cm combination hob offers the ultimate flexibility by integrating three gas burners with one electric cooking zone. Built with a durable stainless steel surface, it is designed for easy maintenance and long-term reliability in professional or residential kitchens. Safety is prioritized with integrated flame failure devices and stable cast iron pan supports.
