

60L Industrial Wet and Dry Vacuum Cleaner

This wet and dry vacuum cleaner is designed for industrial and commercial use. Its 60-liter stainless steel tank supports prolonged operation, while its array of attachments allows it to adapt to multiple cleaning tasks.

Overview

Industrial Cleaning Performance

The 60L Industrial Wet and Dry Vacuum Cleaner is a robust and versatile solution engineered for demanding environments such as factories, workshops, and garages. Featuring a high-capacity stainless steel tank, it allows for extended operation without the need for frequent emptying. Its dual-capability design efficiently handles both liquid spills and solid debris, while the integrated filtration system ensures clean air exhaust during operation.

Technical Specifications

Tank Capacity	60 L
Cleaning Capabilities	Wet, Dry
Tank Material	Stainless Steel

Features

Included Accessories

- Floor nozzle
- Crevice tool
- Brush attachment
- Durable hose

Maneuverability

Sturdy Trolley • Easy Mobility

Filtration System	Fine dust particle capture with clean air exhaust
