

62-Inch Decorative Ceiling Fan

This 62-inch decorative ceiling fan is designed for residential use. It features a central motor housing with decorative accents and evenly spaced blades for efficient air circulation.

Product Overview

Decorative Ceiling Fan

This 62-inch decorative ceiling fan is designed to provide both aesthetic appeal and efficient air circulation for residential spaces. Constructed with a blend of durable iron and high-quality plastic, it offers a reliable cooling solution for living rooms, bedrooms, or dining areas. Its generous 1550mm span ensures effective ventilation, making it a practical choice for maintaining comfort throughout the home.
