

63.3cc Gasoline Powered Earth Auger with 300mm Drill Bit

This earth auger is designed for drilling holes in the ground. It features a 1E48F matched engine with a 63.3cc discharging capacity and a 300mm drill bit.

Product Overview

High-Performance Earth Auger

Designed for demanding agricultural and forestry tasks, this 63.3cc gasoline-powered earth auger offers a robust solution for drilling holes in orchards and woodlands. It combines high efficiency with low fuel consumption to ensure consistent performance on the job site. With a 300mm drill bit included, it is well-suited for a variety of ground-drilling applications.

Technical Specifications

Standard Power

2.2 kW
Power

6500 r/min
Speed

Discharging Capacity	63.3 cc
Engine Model	1E48F
Mixed Fuel Ratio	25:1

Physical Dimensions

Machine Weight

Type	Weight
Net Weight	23
Gross Weight	25

Drill Bit Diameter	300 mm
