

7-Inch High-Carbon Steel Pruning Shear

This precision pruning shear has a 7-inch overall length and is designed for delicate trimming and shaping. The shear features high-carbon steel blades for lasting sharpness and clean cuts.

Product Overview

Precision Pruning Performance

Designed for professional florists, gardeners, and bonsai enthusiasts, this 7-inch pruning shear offers precision trimming and shaping capabilities. The high-carbon steel blades ensure long-lasting sharpness and clean, accurate cuts for healthier plant maintenance. Its ergonomic handle design and spring-assisted mechanism work together to reduce hand fatigue during extended use.

Technical Specifications

Overall Length	7 inch
