

7-Inch Rubber Sleeve with Textured Surface

This 7-inch rubber sleeve is designed for various applications requiring a durable covering. Its textured outer surface provides enhanced grip and may serve a decorative purpose.

Product Overview

Professional Grade Rubber Sleeve

This 7-inch rubber sleeve is engineered for durability and reliable performance in demanding environments. Featuring a specialized textured surface, it provides enhanced grip and control for roller applications. Its robust construction ensures resistance to wear and tear, making it a dependable component for industrial or commercial use.
