

72cc 4-Stroke Single-Cylinder Motorcycle Engine

This 72cc 4-stroke engine is a single-cylinder model designed for motorcycles. It has a 47.0x41.4mm bore and stroke and a maximum power output of 4.0/7500 km/r/min.

Overview

Compact Urban Mobility

This 72cc 4-stroke mini motorcycle offers an efficient and agile solution for urban commuting and recreational riding. Featuring a distinctive retro-styled design, the vehicle balances classic aesthetics with reliable mechanical performance. Its compact dimensions and low seat height make it an accessible option for riders navigating dense city environments.
