

# 750 Lumen LED Flashlight with Aluminum Casing

This LED flashlight provides powerful illumination with a maximum output of 750 lumens and a beam distance of up to 300 meters. Its durable aluminum casing includes rubber protection for enhanced grip and impact resistance.

## ADDITIONAL IMAGES

## Product Overview

### Rugged High-Performance Illumination

This professional-grade handheld flashlight delivers a powerful 750-lumen output suitable for demanding environments. Designed with a robust aluminum chassis and integrated rubber protection, it ensures a secure, slip-resistant grip during operation. It is built for reliability, featuring IPX7-rated waterproofing and significant drop resistance for outdoor and emergency use.
