

# 8-Port USB 2.0 Hub with Transparent Casing

This USB hub features 8 ports for expanded connectivity. It supports data transfer rates up to 480Mbps and has a transparent casing that shows the internal circuit board.

## Product Overview

### Compact Connectivity Solution

The 8-Port USB 2.0 Hub provides an efficient way to expand your workstation's connectivity, offering eight individual ports for seamless peripheral integration. Designed with a unique transparent casing, this hub allows for a clear view of the internal circuit board and components. It delivers reliable performance for high-speed data transfer requirements.

## Technical Specifications

### Data Transfer Speed

**480 Mbps**

Max Transfer Rate

USB Interface	USB 2.0
Total USB Ports	8
Model Number	DK-368AP

## Compliance and Standards

Certifications	CE, FC
