Product Overview

Professional Grade Car Wash Sponge

This 8-shaped cleaning tool combines a high-absorbency sponge core with a premium microfiber exterior, designed specifically for efficient and scratch-free vehicle maintenance. The ergonomic shape ensures comfortable handling and easy access to tight areas, while the gentle microfiber material effectively lifts dirt and grime without damaging vehicle paint. Perfect for both professional detailers and car enthusiasts, this durable, reusable sponge provides a streak-free clean for cars, trucks, and SUVs.
