

8.5L Stand Mixer with Stainless Steel Bowl

This stand mixer features a robust metal gear system for heavy-duty use. It has an 8.5L removable stainless steel bowl, six speeds, pulse function, and comes with dough hook, beater and whisk attachments.

Overview

Professional Performance Stand Mixer

This 8.5L stand mixer is engineered for heavy-duty kitchen tasks, featuring a robust metal gear system and a powerful 1500W motor. Designed for versatility, it includes an expansive stainless steel bowl and a precise 6-speed control system with pulse functionality. The ergonomic tilt-up head and specialized attachments ensure professional-grade mixing, kneading, and whisking for commercial or high-volume culinary environments.
