

9.0 KG Twin Tub Washing Machine

This twin tub washing machine has a 9.0 kg capacity. It features separate wash and spin cycles.

Product Overview

High-Capacity Twin Tub Solution

This 9.0 kg twin tub washing machine offers a robust and efficient laundry solution for high-volume needs. Designed with separate wash and spin compartments, it provides users with precise control over their laundry cycles through dedicated wash, spin, and drain selectors. Its durable construction and optimized power usage make it a practical choice for both residential and light commercial applications.
