Reliable 9V Power Solution

This 9V extra heavy-duty zinc-carbon dry cell battery is engineered for consistent performance in low-drain household and business electronics. Featuring a durable aluminum foil jacket and leak-proof design, it provides a stable voltage output suitable for devices like smoke detectors and toys. With a 3-year shelf life and mercury-free composition, it offers an environmentally conscious and long-lasting energy option.

Logistics & Packaging

Packaging Specifications

| Item | Details |
|-----------------------|--------------------------|
| Consumer Package | 1 Battery / Shrink Pack |
| Inner Box | 12 Batteries |
| Outer Carton | 480 Batteries (40 Boxes) |
| Carton Dimensions | 270 x 240 x 250 mm |
| Gross Weight / Carton | 18.5 kg |

Shipping & Trade Terms

- Trade Terms: CFR
- Transportation: Sea freight
- Lead Time: Approx. 35 days after advance payment
- Payment: L/C at sight or T/T (50% deposit)
