Product Overview

High-Intensity Illumination

This 9W LED work light is engineered for demanding environments, providing reliable and bright illumination for vehicles and heavy equipment. It utilizes nine high-power LEDs to ensure excellent light output while maintaining low power consumption. Designed with a rugged aluminium die-cast housing, this light is built to withstand harsh conditions, making it an ideal choice for off-road, construction, and agricultural applications.

Technical Specifications

Total Power	9 W
LED Configuration	9 x 1W High Power LEDs
Operating Voltage	DC 10-30V
Beam Type	Spot Beam, Flood Beam

Construction & Durability

Suitable Applications

- Off-road Vehicles
- Construction Equipment
- Agricultural Machinery

Housing Material	Aluminium Die Cast
