Product Overview

Efficient A60 LED Illumination

This A60 LED light bulb is designed for versatile decorative and general lighting applications. Featuring a direct-on-board (DOB) configuration, this bulb simplifies circuitry while maintaining energy-efficient performance. With its standard E27 base, it offers straightforward installation for a wide range of existing light fixtures.

Technical Specifications

Power Consumption	9 W
Luminous Efficacy	90 lm/W
Power Factor (PF)	0.5
Color Rendering Index (CRI)	>70

Design & Construction

Construction Components

- White diffuser
- Metal and plastic housing
- LED circuit board
- Standard screw base

Base Type	E27
Lighting Technology	LED, DOB (Direct-on-Board)
