

AAA Alkaline Battery

AAA alkaline batteries deliver consistent power for various electronic devices. These 1.5V batteries are mercury-free, making them an environmentally conscious choice.

Product Overview

Reliable Power for Everyday Devices

These AAA alkaline batteries are engineered to provide consistent and reliable power for a wide range of portable electronic devices. Designed with environmental safety in mind, they are completely mercury-free. Their versatile performance makes them an ideal choice for everyday household electronics, including remote controls, toys, and various portable gadgets.

Technical Specifications

Environmental Standards

Mercury-Free

Voltage	1.5 V
Size	AAA

Product Variants

Model Numbers

- LR03G/1BP
- LR03G/5BP

Usage

Recommended Uses	Remote Controls, Toys, Portable Electronics
