

AAA Alkaline Battery LR03 1.5V

AAA LR03 1.5V alkaline batteries provide reliable power for various devices. These batteries are designed for long-lasting performance and are suitable for a wide range of applications.

Product Overview

Reliable Power Solution

This AAA LR03 1.5V alkaline battery is engineered for consistent and long-lasting performance across a wide variety of electronic devices. With a 0% mercury formulation, it offers an environmentally conscious power option without compromising on output. Designed for professional and everyday applications, it ensures reliable energy delivery when needed most.

Technical Specifications

Environmental Compliance

0% Mercury

Battery Type	Alkaline
Size	AAA / LR03
Nominal Voltage	1.5 V
