Product Overview

Extra heavy-duty AAA battery designed for reliable, long-lasting power.

High-Performance Zinc Chloride Battery

This AAA-sized 1.5V dry cell battery is engineered for extra heavy-duty performance, providing a reliable power solution for a wide range of household and professional devices. Built with advanced leak-proof and heat-proof technology, it ensures durability and safety even in challenging conditions. With a 4-year shelf life and mercury-free composition, this battery offers an efficient, environmentally conscious, and cost-effective power source for your electronics.

Compliance

Global certifications and quality assurance compliance standards.

Certifications & Standards

IEC • ISO 9001 • ISO 14001 • RoHS Compliant • CE • UL
