

Abrasive Sandpaper for Wood Metal Plastic

This abrasive paper is designed for sanding and surface preparation across various materials. Its sharp abrasive grain and durable backing ensure efficient material removal and a smooth finish on wood, metal, plastic, and painted surfaces.

Product Overview

High-Performance Abrasive Solutions

This high-performance abrasive paper is engineered for professional sanding and surface preparation tasks. Featuring a durable backing material combined with sharp abrasive grains, it ensures efficient material removal and a consistently smooth finish. It is a versatile solution suitable for a wide range of surfaces, including wood, metal, plastic, and painted materials.

Technical Details

Surface Compatibility

- Wood
- Metal
- Plastic
- Painted Surfaces

Usage Methods

Hand Sanding • Machine Sanding

Available Grit Sizes

P 100
