

ABS Electrical Junction Box

This ABS junction box is designed for electrical connections and wiring protection. It is constructed from high-quality ABS plastic, ensuring impact resistance and long-lasting performance.

Product Overview

Durable ABS Junction Box

This high-quality ABS junction box is engineered to provide robust protection for electrical connections and wiring. Constructed from durable ABS plastic, it offers excellent impact resistance and long-lasting performance in various environments. Designed for versatility, it is suitable for both indoor and outdoor applications, ensuring a secure and weatherproof enclosure for your critical electrical components.

Technical Specifications

Key Features

Impact Resistant • Weatherproof • Durable

Material	ABS Plastic
Application Compatibility	Indoor, Outdoor
