

# Abstract 3D Sphere Logo Design

Stylized three-dimensional logo featuring a sphere-like shape with an orange gradient. A white, crescent-shaped element partially obscures the sphere, creating a sense of integration.

## Product Overview

### Abstract 3D Sphere Logo Design

This modern, three-dimensional abstract logo design features a sophisticated sphere-like aesthetic suitable for technology companies and innovative brands. The design utilizes a professional gradient transition from light to dark orange, providing depth and a sense of movement. A minimalist white crescent element is integrated into the sphere, adding a clean, contemporary layer that enhances the overall visual appeal.

## Design Characteristics

### Surface Finish

- Metallic/Reflective base
- Gradient lighting effects
- Integrated crescent element

### Recommended Use Case

Software • Technology • Innovation

### Model Identification

WS-310

### Visual Style

3D, Abstract, Modern, Gradient
