

Abstract Sculpture on Tiled Pedestal

This is an abstract sculpture featuring black, white, and blue elements. The sculpture is displayed on a tiled pedestal with a small, gold-colored sign.

Product Overview

The Biological Garden Sculpture

The Biological Garden is a sophisticated abstract sculpture designed to serve as a focal point in professional settings. Featuring a bold combination of black, white, and blue elements, the piece offers a dynamic visual aesthetic. It is professionally mounted on a tiled pedestal with a distinct grid pattern, providing a clean and structured base that complements the complexity of the art piece.
