Product Overview

High-Performance SCSC06 AC Compressor Clutch

This SCSC06 AC compressor clutch is a precision-engineered component designed specifically for Fiat and Lancia vehicle models. It ensures the efficient engagement and disengagement of the air conditioning compressor, contributing to optimal cooling performance and system reliability. The complete assembly includes the clutch hub, pulley, coil, and bearing, manufactured to meet or exceed original equipment standards.

Technical Specifications

Pulley Type	PV6
OEM Part Numbers	46819144, 51746931, 71722315, 71785265
DENSO Reference Numbers	5A797-5300, 5A797-5600

Compatibility

Compatible Models

- Fiat Punto (188)
- Fiat Panda
- Fiat Idea
- Fiat Doblo (223)
- Lancia Models

Included Components

Kit Contents

- Clutch Hub
- Pulley
- Coil
- Bearing
