Product Overview

Professional Adjustable Flame Blow Torch

This versatile blow torch is designed for precision heating, soldering, and brazing applications. Featuring a reliable piezo ignition system, it allows for easy and consistent starting, making it an essential tool for plumbing, automotive repairs, and general maintenance. Its ergonomic handle and adjustable flame control provide the comfort and accuracy required for professional tasks.

Technical Specifications

Ignition System	Piezo Ignition
Flame Adjustment	Yes

Construction & Materials

Handle Material	ABS Plastic
Sprinkler Head	Iron plating copper
Base Material	Iron

Applications

Primary Applications	Soldering, Brazing, Heat Treating, Plumbing, Automotive Repair
