

# Adjustable Height Pedestal Fan with Circular Cage

This freestanding electrical fan features a circular cage design for safety and directed airflow. The fan boasts a multi-blade propeller system powered by an electric motor and is height-adjustable via a telescopic pole, mounted on a stable, circular base.

## Product Overview

### Professional Pedestal Air Circulation

This adjustable height pedestal fan is engineered for effective air circulation in indoor environments. Featuring a robust circular cage design, it prioritizes safety while directing airflow precisely where needed. Its telescopic pole allows for versatile height adjustments, making it a flexible solution for various commercial or office settings.

## Design & Construction

Design Type	Freestanding Pedestal Fan
Safety Features	Circular Safety Cage, Stable Base
Finish	Metallic

## Performance

Propeller System	Multi-blade
------------------	-------------

## Adjustability

Height Adjustment	Yes
Mechanism	Telescopic pole
