

# Adjustable Height Steel TV Ceiling Mount

This steel TV ceiling mount is designed for securely mounting flat panel TVs from the ceiling. It features adjustable height and tilt, with an optional security lock.

## ADDITIONAL IMAGES

## Overview

### Professional Grade Ceiling Mounting Solution

This adjustable height steel TV ceiling mount is engineered for professional installations in both commercial and residential environments. Constructed from high-gauge cold-rolled steel, it provides a secure and durable mounting platform for screens ranging from 23" to 37". The design features toolless tilt adjustment and an optional security lock, making it an ideal choice for public spaces where both viewing flexibility and theft prevention are priorities.
