

Adjustable Joint Pliers

These pliers feature adjustable jaws for gripping various sizes. Their ergonomic handles ensure a comfortable grip and reduced hand fatigue during use.

Product Overview

Professional Adjustable Joint Pliers

These versatile slip-joint pliers are engineered for professionals in plumbing, automotive repair, and general maintenance. Featuring adjustable jaws, they provide a secure grip on a wide variety of nuts, bolts, and fasteners. The robust metal construction ensures long-lasting durability, while the ergonomic handles reduce hand fatigue during extended use.

Technical Specifications

Material	Durable metal
