

Adjustable Monitor Desk Mount Stand for 12-32 inch Screens

This desk mount stand improves workstation ergonomics by raising monitors to a comfortable height. The swivel function allows users to easily share their screen with others.

Overview

Ergonomic Workspace Solution

This adjustable desk mount stand is designed to enhance office ergonomics by elevating your monitor to an optimal viewing height, helping to reduce neck, shoulder, and back strain. It supports a wide range of flat-screen monitors from 12 to 32 inches and features robust steel construction for durability. With full-motion capabilities including tilt and swivel, it allows for flexible viewing angles and efficient workspace organization.
