

# Adjustable Steel TV Ceiling Mount

This adjustable TV ceiling mount is constructed from high gauge cold rolled steel. It features tool-free tilt adjustment, optional security lock, and a universal hardware pack.

## ADDITIONAL IMAGES

## Overview

### Heavy-Duty Adjustable Ceiling Mount

This adjustable steel ceiling mount is designed for screens ranging from 37" to 60", providing a secure and professional display solution for both commercial and residential environments. Constructed from high-gauge cold-rolled steel, it supports a maximum load of 81.6 kg and features a versatile 360° rotation for optimal viewing angles. The integrated cable management and optional security lock make it an ideal choice for high-traffic public spaces requiring both safety and a clean aesthetic.
