

# Adjustable Temperature Steam Iron

This steam iron features adjustable steam control, vertical steam capability, and a spray function. It is equipped with anti-drip and anti-calc systems to prolong the life of the appliance, as well as auto-off and self-clean functions.

## Product Overview

### Professional Steam Ironing Solution

This adjustable temperature steam iron is designed for efficient fabric care, featuring versatile spray, steam, and burst steam functions. Built with safety in mind, it includes overheating protection and optional advanced features like anti-calc, anti-drip, and auto shut-off. The durable non-stick or ceramic coating soleplate ensures smooth gliding across various fabric types.

## Technical Specifications

### Power Output

**1800 W**  
Min Power

**2600 W**  
Max Power

Voltage AC220-240V

Frequency 50-60Hz
