

# Adjustable TV Wall Mount for 32-55 inch Screens

This TV wall mount is designed for 32 to 55 inch screens. It supports a maximum VESA mounting pattern of 600x400 and features a robust construction for secure installation.

## Product Overview

### Professional Grade TV Wall Mount

This adjustable TV wall mount is engineered for screens ranging from 32 to 55 inches, offering a secure and ultra-slim installation solution. Constructed from high-gauge cold rolled steel and aluminum, it ensures durability and stability for your display. The design includes essential features like a safety lock, a built-in bubble level for precise mounting, and a universal hardware pack for seamless setup.
