

Adult Step-Through Tricycle with Basket

This tricycle is designed with a step-through frame, allowing for easy mounting and dismounting. A large basket is mounted over the rear wheels for convenient cargo carrying.

Product Overview

Designed for Comfort and Utility

This adult step-through tricycle is engineered for accessibility, featuring a low frame design that allows for effortless mounting and dismounting. Equipped with a spacious rear wire basket, it serves as an excellent solution for transporting groceries or personal belongings securely. With its comfortable sprung saddle and upright handlebar geometry, this tricycle offers a relaxed and stable riding experience suitable for daily commuting or leisure.
