

Adult Step-Through Tricycle with Baskets

This adult tricycle has a step-through frame for easy mounting and dismounting. Durable wire mesh baskets in the front and rear provide ample storage.

Product Overview

Designed for Comfort and Utility

This adult step-through tricycle provides a stable and accessible ride, featuring a user-friendly frame design that simplifies mounting and dismounting. With its integrated storage capacity including both front and rear baskets, it is an ideal solution for running errands, grocery shopping, or casual transportation. The included suspension saddle ensures long-term comfort, while the durable build makes it a reliable choice for daily exercise and leisure.
