

Adult Step-Through Tricycle with Rear Basket

This tricycle is designed with a step-through frame for easy mounting and dismounting. It includes a rear basket, making it suitable for carrying groceries or personal items.

Product Overview

Designed for Comfort and Utility

This adult step-through tricycle is engineered for stability, ease of use, and practical transportation. With its low step-through frame, riders can mount and dismount effortlessly, making it an excellent choice for recreational activities or daily errands. The three-wheel configuration provides enhanced balance compared to traditional bicycles, while the rear basket offers convenient storage capacity for goods and personal items.
