

# Adult Tricycle with Cargo Basket

This adult tricycle features a sturdy frame, a comfortable saddle, and a large wire basket mounted over the rear wheels for carrying cargo. It is equipped with a single front wheel and two rear wheels, providing stability and ease of use.

## Product Overview

### Designed for Stability and Utility

This adult tricycle is an excellent solution for individuals seeking a stable and reliable transportation method for daily errands or leisurely rides. Engineered with a durable frame and a three-wheel configuration, it offers superior balance and ease of use compared to traditional bicycles. The included large rear cargo basket adds significant utility for transporting goods, making it a practical choice for various outdoor activities.
