

Air Conditioner Protective Cover

This cover protects air conditioning units from damage and exposure. It features a white finish and horizontal slats for ventilation.

Product Overview

Spirit Yue Series Protective Cover

The Spirit Yue series air conditioner protective cover is designed to provide both functional protection and an enhanced aesthetic for indoor air conditioning units. Featuring a clean white finish and integrated horizontal slats, this cover ensures proper ventilation while concealing the unit. It is an ideal solution for maintaining a tidy, professional appearance in any indoor environment.
