Product Overview

PRODUCT DESCRIPTION

Engineered for reliable performance in automotive brake systems.

Heavy-Duty Air Disc Brake Caliper

This high-quality air disc brake caliper is engineered for demanding heavy-duty vehicle applications, including trucks, buses, and trailers. Designed for durability and consistent braking performance, it features robust construction to withstand rigorous road conditions. This component is essential for maintaining safety and operational efficiency in heavy-duty braking systems.

Technical Specifications

Quality Certification

IATF 16949

Vehicle Compatibility

Truck, Bus, Trailer

Category

Brake System Parts
