

Aluminum Folding Hand Truck

This aluminum hand truck is lightweight and durable, making it ideal for transporting goods. It features a foldable design for compact storage and sturdy wheels for smooth maneuverability.

Product Overview

Lightweight & Portable Material Handling

This aluminum folding hand truck is engineered for efficiency and ease of use in professional environments. Its lightweight yet durable construction ensures long-lasting performance, while the integrated folding mechanism allows for compact storage when not in use. Designed for smooth maneuverability, it is an ideal solution for transporting goods in auto parts facilities and aftermarket service centers.

Design & Build

Material	Aluminum
Key Features	Foldable, Lightweight, Durable, Compact Storage

Performance

Ideal Applications

- Auto Parts Logistics
- Aftermarket Service Environments
- General Warehouse Transport

Maneuverability

Smooth Rolling • Easy Handling
