

# Aluminum Snap Frame Advertising Light Box

This aluminum snap frame light box provides even illumination for advertisements and menus. It features a slim design and easy snap-open frames for quick graphic changes.

## Overview

### Versatile Snap Frame Light Box

This aluminum snap frame light box offers a sleek and efficient solution for professional advertising and signage needs. Featuring a user-friendly snap-open design, it allows for quick and convenient graphic changes, making it ideal for high-traffic environments like restaurants, department stores, and exhibition shows. With options ranging from robust 33mm frames to ultra-slim 5mm frames, this display system ensures even illumination and a professional appearance for your menus or advertisements.
