

Angle Grinder

This angle grinder is designed for cutting, grinding, and polishing various materials. It features a robust motor, adjustable guard, and ergonomic handle for comfortable operation.

Product Overview

Professional Grade Angle Grinder

This powerful angle grinder is engineered for demanding tasks including cutting, grinding, and polishing a wide range of materials. It features a robust motor designed for consistent performance in both professional job sites and intensive DIY applications. The tool incorporates ergonomic design elements, such as an adjustable guard and a comfortable handle, to ensure user safety and reduce fatigue during extended operation.

Key Features

Core Functionalities

- Spindle lock for rapid disc changes
- Variable speed control
- Adjustable safety guard
- Ergonomic handle design

Suitable Applications

Cutting, Grinding, Polishing, Professional Use, DIY Projects
