

Antique Brass Finish Ceiling Fan with Light

This ceiling fan provides efficient air circulation with a classic design. It features an integrated light with a marbled glass shade and pull chains for easy control.

Product Overview

Classic Design Meets Energy Efficiency

This elegant ceiling fan features a sophisticated antique brass finish paired with four dark wood blades, blending classic aesthetics with reliable performance. Beyond its visual appeal, the fan is designed to enhance indoor climate control, helping to reduce reliance on air conditioning systems. By promoting better air circulation, it serves as an energy-efficient solution for living rooms, bedrooms, and dining areas.

Key Features

Design Style	Antique Brass Finish, Dark Wood Blades, Classic Design, Integrated Lighting
Control Method	Manual Pull Chains

Energy Efficiency Analysis

Energy Savings Potential

Metric	1P AC	2P AC	3P AC
Rated Power (W)	1200	2200	3100
Electricity Charge/Day (\$)	7.68	14.08	19.84
Saving per Day (\$)	2.622	5.182	7.486

Efficiency Note

Using the fan in clockwise mode during summer can create a wind chill effect, allowing air conditioner temperature settings to be raised, potentially saving 40% or more on energy costs.
