

Art Deco Frosted Glass Lamp Shade

This is an antique Art Deco glass lamp shade featuring a bell shape and classical motifs. The shade is made of frosted white glass with amber-colored detailing.

Overview

Elegant Art Deco Lighting Solution

This antique Art Deco glass lamp shade features a classic bell shape adorned with intricate classical motifs and vertical fluted patterns. Crafted from frosted white glass with sophisticated amber-colored detailing, it provides a subtle marbled appearance that enhances its vintage charm. Designed to diffuse light effectively, it creates a soft, ambient glow suitable for high-end replacement projects in antique lamps, chandeliers, or wall sconces.
