

Articulating TV Wall Mount for 37-70 inch Screens

This full motion articulating TV wall mount is designed for 37-70 inch LED/LCD flat panel screens. It features a heavy gauge steel construction with a cable routing management system.

Product Overview

Professional Articulating TV Mount

This heavy-duty articulating TV wall mount is designed for 37-70 inch LED and LCD flat panel screens, offering robust support with a combination of aluminum arms and steel construction. It features a versatile range of motion, including a 90-degree swivel, tilt capabilities, and a leveling pivot, ensuring optimal viewing angles. The integrated cable management system and included universal hardware pack make installation clean and straightforward for professional environments.
