

Assorted Fastener Set

This set includes a variety of nuts, bolts, washers, and screws. These fasteners are made of steel, stainless steel, aluminum, and copper based on ISO, DIN, ANSI, JIS, and BSW standards.

Product Overview

Comprehensive Fastener Solution

This assorted fastener set provides a versatile collection of essential hardware components, including bolts, nuts, washers, threaded rods, and eye bolts. Engineered for durability, these metal components are available in various sizes and thread types to accommodate diverse requirements in construction, manufacturing, and general engineering projects. The assortment includes treated and coated options designed to provide enhanced corrosion resistance for reliable long-term performance.

Technical Specifications

Included Components

- Bolts
- Nuts
- Washers
- Threaded rods
- Eye bolts
- Specialized fasteners

Suitable Applications

Construction • Manufacturing • Engineering

Material & Finish

Metal, Steel, Corrosion resistant
