

Automated Floor Cleaning Robot Vacuum

This robot vacuum cleaner is designed for automated floor cleaning. It features a disc-shaped design for navigating under furniture and around obstacles.

Features:

- Can auto-cleaning and auto-charging (before the battery's power run out, the cleaner will search the station and charge automatically).
- Charging time can be set to clean at a certain time any day /some day all days of each week
- With stair avoidance sensors for avoid the cleaner falling down
- With run meeting bumper (when meet barrier, it will rebound, but not stop)
- With touch-sensitive sensor to get out of the tight places, such as sofa, bed and more
- With virtual wall (if you need clean one certain certain area only, you may open the virtual wall, the cleaner will never go out the room/area)
- With wireless remote controller, you use it to select the cleaning speed ,set cleaning time, speed, docking and timing cleaning
- With mop for wet cleaning the floor
- With UV lamp to kill the bacteria on the floor
- Low noise only about 55dB
- Easy cleaning design
- Size is only 31 (diameter) x 8.7cm

Parameters:

- Charge time: 3 hours
- Working time: 100-120minutes
- Battery capacity: 2200mAh
- Dust capacity: 0.37L
- USB size: 132*8.7cm

Accessories:

- Auto charging station x1
- Splice holder x1
- Remote controller x1
- Adapters
- Extra side brush x2
- Extra filter x2
- Dust brush x1
- Tooling set x1
- Mop x1
- Docking station sticker x1
- Manual x1

Product Overview

Automated Cleaning Efficiency

This advanced robot vacuum is engineered for comprehensive floor maintenance, featuring both dry vacuuming and wet mopping capabilities. Equipped with intelligent sensors for stair avoidance and obstacle detection, it ensures safe and autonomous operation. The unit also includes a built-in UV lamp to assist in bacteria elimination, providing a cleaner environment for professional spaces.

Battery Capacity	2200 mA
Dust Bin Capacity	0.37 L
Diameter	32 cm
Height	8.7 cm

Features and Functionality

Advanced Capabilities

Auto-Charging, UV Bacteria Elimination, Wet Mopping, Virtual Wall Technology, Stair Avoidance Sensors

Package Contents

Included Components

- Auto-charging station
- Space isolator (Virtual wall)
- Remote controller
- Extra side brushes (x2)
- Extra filters (x2)
- Mop attachment
- Dust brush
