

Automatic Coffee Vending Machine with LCD Screen

This automatic coffee vending machine is designed for self-service operation in public areas. It features a 7-inch LCD screen for advertising and dispenses a variety of hot beverages.

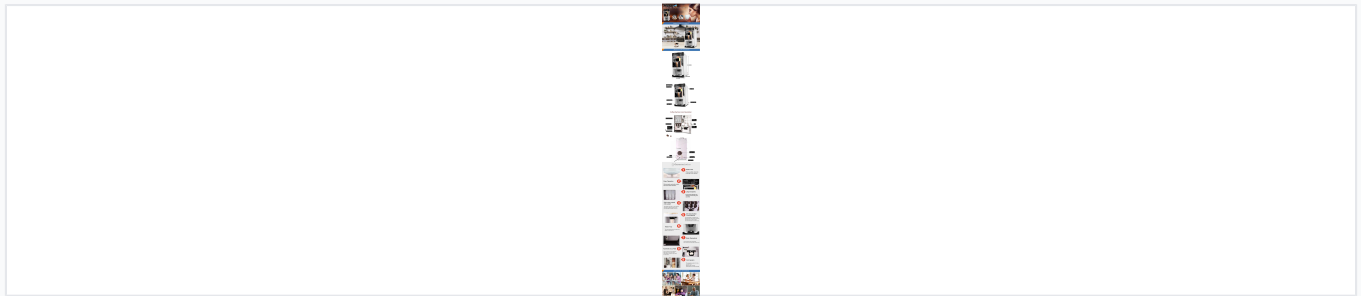

Product Overview

Professional Commercial Vending Solution

This high-capacity coffee vending machine features a sleek, stainless steel construction designed for high-traffic environments. Equipped with a 7-inch LCD display for promotional content, it offers a user-friendly microcomputer control system. Its robust design is perfect for locations such as shopping malls, office buildings, transit hubs, and hospitality venues.
