Product Overview

Smart Automated Brewing Solution

This automatic tea maker features an advanced touch-sensitive control system with real-time digital temperature monitoring. Designed for convenience and safety, it utilizes a 180-degree rotating water mechanism and one-key operation to streamline the brewing process. With built-in anti-dry protection and automatic shutdown features, it ensures efficient energy usage and operational safety for busy environments.

Technical Specifications

Rated Power	1050 W
Rated Voltage	220 V
Capacity	1 L

Dimensions

Unit Dimensions (mm)	235 x 180 x 250
Gift Box Dimensions (mm)	296 x 221 x 264
Carton Box Dimensions (mm)	607 x 457 x 548

Features

Safety Metrics

20 minutes

Auto-shutoff time

Key Functionality

One-key automation, 180-degree rotation, Touch-sensitive controls, Real-time temperature display, Anti-dry protection
