Product Overview

High-Performance Cylinder Head

This premium aftermarket cylinder head is engineered for Cummins 4ISDE engines, providing a reliable and durable solution for engine maintenance and repair. Constructed from high-grade steel, it features precision-engineered ports and combustion chambers designed to optimize airflow and ensure efficient combustion. Built to withstand significant thermal stress and mechanical wear, this component is an ideal choice for maintaining peak engine performance.

Technical Specifications

Part Number	4941496
Engine Application	CUMMINS 4ISDE
Material	Steel

Physical Dimensions

Weight	47 kg
Dimensions	65 x 40 x 20 cm

Logistics & Quality

Quality Grade	Aftermarket
Warranty	12 months
Packaging	1 piece per wooden box
Delivery Options	By sea, By air, By express

Commercial Terms

Payment Terms

- TT 30% deposit
- 70% upon bill of lading
- L/C accepted
